

# Saint Maria Magdalena Today

-Hey AI! I have a question for you.

-Sure.

-How do you think Saint Maria Magdalena would be in modern times and with a different nationality?

- This is a tragic personality.
- The hidden gospels call her the wife of Jesus. Others call her a prostitute who anointed Jesus' feet with her hair at the publican's dinner
- We use the following depiction of the human element with characteristics of all peoples as a message of peace and reconciliation.

Original

Asian

European

- She was one of the first to see Jesus risen from his grave according to the scriptures, symbolizing that what most see as wrong in either a woman or anyone can be the beginning of a deeper view of things

African

- This woman suffered the burden of the violence of the human species and awaits the resurrection with whatever meaning we can give her...

Indian
